Supplemental Information	The Utah Department of Environmental Quality provides this list to the public as a courtesy only. Inclusion on the list does not in any manner constitute by this agency licensure, certification, endorsement, or recommendation of any kind. Information is subject to change w/o notice. For copies, or to update information, contact Mike Zucker, DEQ Response and Remediation (801) 536-4100, or send a message at mucker@utah.gov. Please be advised, if you are performing environmental mitigation work for the person responsible for the release of one or more hazardous chemicals, hazardous substances, hazardous wastes, pollutants or contaminants, solid wastes, or other materials resulting from an unauthorized release to the environment, pursuant to state laws and/or rules, your client may be subject to the requirements to submit written notification of actions taken to mitigate a release. You, as the contractor, may be tasked to prepare such documentation. This list is available for download at the DEQ DERR website: http://www.superfund.utah.gov/spills.htm (see link titled Spill Response Resource List).
